

Registration is OPEN! European Research and Innovation Days 2022

Let's shape the future together: [registration is open!](#)

European Research and Innovation Days is the European Commission's annual flagship Research and Innovation event, bringing together policymakers, researchers, entrepreneurs and the public to debate and shape the future of research and innovation in Europe and beyond.

The event will take place online on **28 and 29 September 2022**, allowing everyone to get involved from anywhere.

This year's European Research and Innovation Days gives you the opportunity to discuss and shape new solutions to strengthen Europe's resilience and its strategic autonomy. Join us to debate how research and innovation deliver on the European Commission's priorities.

This is your chance to discuss the new European Innovation Agenda, the European Year of Youth, the richness of European cultural creativity, the EU Missions and many more topics.

[Explore the programme](#), discover the sessions for you and get ready to discuss the future of research and innovation with participants from across Europe and beyond.

[Register here](#) and stay tuned for more news and updates! by following us on Twitter @EUScienceInnov and join the conversation on #RiDaysEU.
