

Horizon Europe info days - Cluster 4

This event aims to inform potential applicants about the funding opportunities of the 2023 calls of Horizon Europe Cluster 4 'Digital, Industry and Space' Work Programme 2023-2024.

Speakers from the European Commission will go into depth on the call topics, the evaluation, and the award process. Prospective applicants will have the opportunity to ask questions about what's new and learn how to draft successful proposals.

Under the pillar II of Horizon Europe, Cluster 4 focuses on digital, industry and space and aims to deliver on the following 6 Destinations matching the Strategic Plan:

- Climate neutral, circular, and digitised production
- Increased autonomy in key strategic value chains for resilient industry
- World leading data and computing technologies
- Digital and emerging technologies for competitiveness and fit for the Green Deal
- Open strategic autonomy in developing, deploying, and using global space-based infrastructures, services, applications, and data
- A human-centred and ethical development of digital and industrial technologies
