

Opportunities for Researchers from the Social Sciences and Humanities (SSH) in Horizon Europe

By igor.chiosa, 20 February, 2023

Horizon Europe aims at fully integrating Social Sciences and Humanities (SSH) in each of its pillars. In particular, under the pillar 'Global Challenges and European Industrial Competitiveness', SSH should be fully integrated across all clusters. SSH is therefore a cross-cutting issue and integrated in the whole Framework Programme. While SSH research aspects are particularly present in Cluster 2 'Culture, Creativity and Inclusive Society', they are also present in all other clusters and in other parts of Horizon Europe.

This Analysis of SSH-relevant Topics in Work Programme 2023-24 is the key resource to find calls and topics with relevance for the Social Sciences and Humanities all over Horizon Europe.
