

## **Are you a Horizon Europe applicant who needs some guidance? Horizon Europe's national contact points can help you**

National Contact Points (NCPs) are an EU support structure that provide guidance, practical information and assistance on all aspects of participation in Horizon Europe to potential applicants and beneficiaries. NCPs offer support to all participating countries and they are also established in many non-EU and non-associated countries ("third countries") for the duration of a project and in the applicant's own language.
