

Register for the European Research and Innovation Days 2024

The European Commission organises the European Research and Innovation Days (R&I Days) fifth edition on **20 and 21 March 2024** physically in Brussels and online.

What can you expect?

- to discover successful EU-funded research and innovation projects and experience their impact on our society;
- to debate the importance of continued investment in research and innovation;
- to find out more on Horizon Europe, including the Strategic Plan 2025 – 2027 and its Widening Instrument; R&I support to Green and Digital transition; its Global Approach; and many other topics.

Information about the programme, the sessions, speakers and all other information related to the R&I Days can be consulted on this [webpage](#).

Date

20/03/2024 -
