

Amendment to the Horizon Europe Work Programme

By dorina.harea, 19 February, 2024

Attention Cluster 4 Community! There will be an amendment to the **Horizon Europe** work programme which affects **Cluster 4 calls!**

What changes to expect on Cluster 4 (Digital, Industry & Space) calls?

- Most likely deletion or re-scheduling of several topics to a later call
- Addition of new topics to this later call
- "Destinations" DIGITAL-EMERGING and HUMAN most likely to be affected
- Further changes may affect the "Other Actions" section

This amendment is expected to be officially adopted at the end of **March 2024**.

Please contact your country NCP for further details in the meantime. You can find your country NCP [here](#)

We will give you an update with the most significant changes as soon as the amendment has been adopted!
