

CIRCULAR FOODPACK FINAL EVENT “CIRCULAR PACKAGING FOR DIRECT FOOD CONTACT APPLICATIONS”

The EU project [CIRCULAR FoodPack](#) invites you to attend its Final Event “Circular Packaging for Direct Food Contact Applications” on **28 November 2024 in Brussels**, Belgium, where it will present its key findings and results.

What you can expect:

- keynote speech by the EU project officer of CIRCULAR FoodPack
- presentation on key findings and results by the project coordination
- panel discussion with industry stakeholders, policy makers and scientists on the topic: “Potentials and hurdles of circular food packaging – feasibility beyond technical realisation”

In addition, recommendations will be made for the future implementation of European policy and further research needs of the community.

Afterwards, you are cordially invited to socialise and network over delicious drinks and snacks.

Event time

Thursday, 28 November 2024, 12:00 – 6:15 p.m. (CET)
