

EuroHPC Summit 2025

The EuroHPC Summit 2025 will take place at the [ICE Congress Centre](#) (Marii Konopnickiej 17, 30-302 Kraków, Poland) on 18-20 March 2025.

The EuroHPC Summit is an annual event gathering key European HPC and quantum computing stakeholders from providers to scientific and industrial users, to policy makers.

The Summit is an important moment to showcase the latest achievements and opportunities in the European supercomputing ecosystem, but also to discuss and reflect on the current and future challenges in HPC and quantum computing . The event also provides a great opportunity for attendees to network and connect with the European supercomputing community.

The event is primarily an in-person event; however, all plenary sessions will be livestreamed and the link to follow along will be provided ahead of the event.
