

Info Day and Brokerage event Cluster 5 - Climate, Energy, Mobility

The European Commission's Info Day will present the research and innovation topics proposed under the Work Programme 2025 of Horizon Europe Cluster 5: Climate, Energy and Mobility. The event will provide prospective applicants with an opportunity to learn more about the funding options under the new work programme (budget: €1.2 billion), which focuses on the twin green and digital transitions required to achieve climate neutrality in Europe by 2050.

The Info Day will take place on 6 May 2025 (9:00 – 16:00), both onsite in the Charlemagne building (Brussels) and online. The web streaming link for online participants will be made available on this page closer to the event.

Please note that onsite participation is limited. Registration for onsite participation closes on 31 March 2025 (or earlier if the capacity of the venue has been reached).
