

Save the date: Online Brokerage for Horizon Europe Cluster 4 Calls in 2025

The work programme 2025 for Horizon Europe is just around the corner, with Info Days for Cluster 4 already having been announced for 13th and 14th May 2025 (more info here).

The dates for the accompanying online brokerage events, organised each year by IDEAL-IST, NCP4Industry and COSMOS4HE, have now been fixed as follows:

- 14th May: Online brokerage by NCP4Industry for industry call topics.
- 15th / 16th May: Online brokerage by IDEAL-IST for digital call topics.
- 19th May: Online brokerage by COSMOS4HE for space call topics.

More info coming soon on the official [Digital NCP Network webpage!](#)
