

Webinar “INPACE Hub and support for partnerships between European and Korean organisations to participate in Horizon Europe calls”

The INPACE project is hosting a webinar to connect European and Korean organizations focused on Horizon Europe calls in Cluster IV. Participants will learn about INPACE facilities and find partners for joint projects.

The webinar aims to support EU-Korea partnerships for Horizon Europe in Cluster 4 (Digital, Industry, Space). It will provide:

- Information on INPACE facilities to support partnerships between EU and Korea in cluster IV Horizon Europe.
- Opportunities for Korean organizations to connect with European partners looking for collaborators.
- Guidance for European organizations in finding relevant partners among Korean institutions.
- Next steps on how to utilize INPACE's support services and join partner searches.

More information and registration can be found at [INPACE event page](#).
