

CERIC-ERIC Call for proposals for access to integrated multidisciplinary facilities for Materials and Biomaterials

By marianna.roman, 1 August, 2025

The Central European Research Infrastructure Consortium, CERIC-ERIC is calling for proposals for coordinated access to more than 60 instruments and support laboratories for research in all fields of materials, biomaterials and nanotechnology. The call is open to researchers from all over the world.

The call has two deadlines:

September 1st 2025, to have a pre-evaluation and the possibility to improve the proposal

October 1st 2025, final submission

More information can be found [here](#).
