

Extreme Light Infrastructure (ELI) User Call

By marianna.roman, 29 September, 2025

The ELI (Extreme Light Infrastructure) is pleased to announce the opening of the 7th ELI User Call. Researchers worldwide are invited to submit their proposals for experiments to access ELI's state-of-the-art instruments and equipment. Proposals will be evaluated by an international peer review panel with an emphasis on scientific excellence.

Proposal Submission Deadline: **29 October 2025**
