

HaDEA SHOWCASE 2026

The HaDEA Showcase Event 2026 “EU-funded projects and synergies driving competitiveness and preparedness,” aims to highlight how EU-funded projects contribute to Europe’s competitiveness and preparedness across key sectors, including digital, industry, space, and health. A plenary with high-level speakers from the European Commission, thematic panel discussions with representatives from EU-funded projects, and a project exhibition. The event will gather a diverse audience of policymakers, representatives of EU-funded projects, member states, industry associations, National Contact Points, and National Focal Points, both in person and online.

Location:

Belgium

Charlemagne Conference Centre, Brussels & online
