

KETs Brokerage Event 2026 – registration open

The KETs 2026 EU Brokerage Event is a matchmaking gathering focused on Key Enabling Technologies (KETs) related to Horizon Europe calls. It will take place in Karlsruhe, Germany, on February 5, 2026, with a pre-event reception on the evening of February 4.

Key details include

- Purpose: the event connects stakeholders to form consortia for upcoming Horizon Europe calls, specifically in Clusters 4 (Industry, Digital), 5 (Batteries, Hydrogen), and industry-related topics in Cluster 6.
- Activities: the agenda features a plenary session, six thematic workshops with pitching sessions, and pre-arranged B2B meetings.
- Key topics: focus areas include manufacturing, circular economy, raw & advanced materials, energy storage (batteries & hydrogen), AI, and ICT.
- Target audience: it is designed for SMEs, researchers, universities, public authorities, and industry representatives.
- Cost: participation is free of charge, but registration is mandatory.

The registration deadline is currently 1st Feb. 2026.
