The Request for Proposals seeks a qualified supplier to act as the **EIT Community Officer (ECO)** for the **EIT Community Hub in Moldova** for the period **16 July 2026 to 31 December 2027**, with a possible **12-month extension in 2028**.

The selected provider will act as the central operational and coordination point for EIT Community activities in Moldova, strengthening the visibility and impact of the EIT Community at local, regional, and national levels. The EIT Community Officer (“ECO”) will be responsible for implementing joint activities, engaging diverse stakeholder groups, and fostering synergies between the EIT KICs to maximise community outreach and innovation uptake, acting as the one-stop shop for EIT Community activities in Moldova.
