ICRI 2026 – Bridging Science, Society and Diplomacy through Research Infrastructures

The **International Conference on Research Infrastructures** (ICRI) is the flagship global forum for strategic dialogue and international cooperation on research infrastructures (RIs).

It brings together scientists, policymakers, RI directors and operators, funding organizations and industry to share best practices, align priorities, and help shape the future of the world's most advanced facilities, services, and data ecosystems.

Period: 2–4 december 2026

Location: Roma, Italy
