

Sustainable Economy in Horizon Europe – International Matchmaking & Networking

This is an international event bringing together the world of science and business in Sustainable Economy, related to the Horizon Europe Framework Program. It is an opportunity to make contacts and receive support in obtaining funding under **Pillar II** of the HE program - **Global Challenges and European Industrial Competitiveness**, in the area of **Cluster 4 - Digital Technologies, Industry and Space**.

The conference will introduce the European Commission's policies, the Processes4Planet partnership, as well as opened calls 2023 in Horizon Europe related to sustainable economy. The event is also an opportunity to meet potential partners and create consortia. Representatives of research institutes, universities, public entities, large companies, SMEs, start-ups, associations, foundations, international organizations wishing to apply for funding under Horizon Europe are invited to attend the event.

How to sign up?

Participation in the event is free of charge. Number of places is limited. Eligibility for the meeting is determined by the order of registration. All those who register will receive feedback regarding qualification/non-qualification for the event. The information will be sent to the email address provided during registration.

Presentation of the project idea

Send a presentation in PDF format (3-5 slides, max. 5 MB) by November 30 this year to: icpeconomy@imn.lukasiewicz.gov.pl. Active participation in the presentation is possible only with "onsite" registration.
