

Horizon Europe - Industry 2023 Brokerage event

NCP4Industry, the network of national contact points (NCPs) supporting the industrial part of Cluster 4 Horizon Europe research and innovation programme has run the **Long Term Matchmaking** as the continuous service of the **Horizon Europe - Industry 2023 Brokerage event**, held on 14 Dec 2022. Both, already registered participants and new to this event have an opportunity to meet future partners of their proposals under the process of preparation for 2023 Horizon Europe Industry calls (Destinations 1 and 2 of Cluster 4).

The **Long Term Matchmaking** is available until **31 March 2023** at <https://he-industry-2023-brokerage.b2match.io/>
