

EU Brokerage Event on Key Enabling Technologies in Horizon Europe

The German and French National Contact Points (NCPs) for the industrial part of Cluster 4 and Enterprise Europe Network (EEN) of IMG Rheinland-Pfalz in collaboration with Enterprise Europe Network Grand E-Nov+ co-organise the 10th edition of KETs' EU Brokerage Event.

Dedicated to the Key Enabling Technologies in "**Horizon Europe**", the event will target **upcoming 2024 calls** in Destination 1 (**Twin green and digital transition**) and 2 (**Resilient value chains**) of Cluster 4 and Destination 2 of Cluster 5 (**Batteries**). **The event will be held in Mainz (Germany) on the 27th of October, but also allows for long-term online matchmaking.**

Participate to:

- Exchange and meet with your future partners
- Initiate the setup of project consortia
- Present, discuss and develop new project ideas at an international level
- Initiate cross-border contacts

Participation is free of charge but **registration is mandatory** since **the number of on-site participants is limited to 200**. **Registration** is open until **27 October 2023**.
