

Horizon Implementation Day: Finding opportunities and submitting a proposal in Horizon Europe

On **13 March 2025**, the European Commission is organizing a webinar on Finding opportunities and submitting a proposal in Horizon Europe. During the webinar, participants will learn more how to search for calls and partners in the Funding & Tenders Portal, as well as about submission and evaluation processes of proposals.

The target group is project coordinators, beneficiaries and other interested parties.

Registration in advance is not necessary.
