

Horizon Implementation Day: Grant Agreement Preparation in Horizon Europe

On **20 March 2025**, the European Commission is organizing a webinar on **Grant Agreement Preparation in Horizon Europe**. Within the webinar, participants will learn more about the REA Central Validation Service, legal and financial aspects in Horizon Europe projects, and how to make a better scientific/technical description of the projects.

The target group is project coordinators, beneficiaries and other interested parties.

Registration in advance is not necessary.

For more information, please follow this [page](#).
