This survey is conducted by the Legal & Financial (L&F) National Contact Points (NCPs) within the Horizon Academy (NCP4HE) Project, funded by the European Commission (EC).

Your input will be used to provide the EC with valuable feedback and practical insight into the financial, legal, and administrative implementation of Horizon Europe projects, with the final purpose of improving the framework programme. The first two sections of the survey focus on legal and financial aspects, while the remaining sections cover the project lifecycle and broader horizontal issues.

The survey targets Horizon Europe beneficiaries across the EU and beyond—including project coordinators, researchers, work package/task leaders, technical and administrative staff, and others involved in project implementation. **Please share it with your project partners and research management colleagues.**

Deadline for submitting responses is the 4th of April 2025.

Your responses will be anonymous and used only for research and analysis. The final report (March 2026) will be published on the Horizon Europe NCP Portal and shared widely, including with the EC and beneficiaries.

The survey takes just 25 minutes, and your input is crucial in strengthening future EU research programs.
