The CBE JU 2025 call for project proposals is open!

Call identifier: HORIZON-JU-CBE-2025

Call launch: 3 April 2025

Deadline for submission: 18 September 2025 at 17:00 CET.

Types of action funded by CBE JU CBE JU funds three types of actions:

**Research and Innovation Actions (RIAs)** establish new knowledge or explore the feasibility of a new or improved technology, product, process, service or solution. These may include basic and applied research, technology development and integration, testing, demonstration, and validation on a small-scale prototype, in a laboratory or simulated environment.

**Innovation Actions (IAs)** scale up activities from prototype to product validation and market replication. Flagships, an important and specific type of IAs, in particular deploy a first-of-its-kind innovation on the European market.

**Coordination and Support Actions (CSAs)**, among other, structure stakeholder communities, support technological visions and outreach, as well as disseminate and exploit research results.
