

Info Session on the Chips 2026 Calls on Skills

The Chips JU is planning in near future to launch three dedicated calls to support semiconductor education, training, reskilling, upskilling, and talent development across Europe. To help the community better understand these upcoming opportunities and prepare future collaborations, the Chips JU Office, in cooperation with AENEAS, EPoSS and INSIDE industry associations is organizing the Info Session on the Chips JU 2026 Calls on Skills on 18 June 2026 from 14:00 to 17:15 CEST.
