The network of National Contact Points (NCPs) for Widening participation and strengthening the European Research Area under Horizon Europe (NCP_WIDERA.NET) now offers a proposal pre-check service for applicants to Joint Transnational Calls (JTCs) of Institutionalised European Partnerships.

The proposal pre-check service will be implemented through the free-of-charge [wideraexperts.eu portal](https://wideraexperts.eu). The coordinator or one of the work package leads must be based in a [widening country](#).

This service is offered to the following Institutionalized European Partnerships under Pillar II:

- European Partnership for Global Health (EDCTP 3)
- Innovative Health Initiative Joint Undertaking
- European Partnership for Key Digital Technologies
- European Partnership for Smart Networks and Services
- European Partnership for High Performance Computing
- European Partnership on Metrology
- European Partnership on Clean Hydrogen
- European Partnership for Clean Aviation
- SESAR 3 Joint Undertaking
- European Partnership for transforming Europe's rail system
- Circular Bio-based Europe Joint Undertaking

More details [here](#).
