

IDEAL-IST Full Proposal Check - Digital calls in Horizon Europe - September 2024

Targeting any of the Horizon Europe CL4 topics with deadline in **September**?

To support you in preparing excellent proposals, Ideal-ist is organising a series of Full Proposal Check Events for the Horizon Europe Cluster 4 Digital call topics with a deadline in September 2024.

How does it work?

At the full proposal check (FPC) event, you will receive in-depth feedback from experienced Horizon Europe evaluators and National Contact Points (NCPs) on your advanced proposal drafts.

IDEAL-IST kindly invites project proposal coordinators to submit their advanced drafts to our next Full Proposal Check, to receive feedback from experienced experts during a live feedback session. This service is free of charge, and covers a selected number of topics from Horizon Europe Cluster 4 with closing deadlines on the 18th/September (see list of topics below). Register now to secure your spot for this unique chance to improve your proposal!

How to participate

1. Email your interest to: leonardo.tonetto@luxinnovation.lu
2. You will receive a **registration form**, it must be filled out and submitted by the registration deadline.
3. Submit your advanced draft proposal to: leonardo.tonetto@luxinnovation.lu
4. Provide your time availability within the **feedback session week**.

5. Attend the **online feedback session** that will be assigned to you (given everyone's availability).
6. Feedback sessions last for (about) **1h30 minutes**, where two expert evaluators will give feedback based on the submitted draft, and finally there will be opportunity for questions from proposers to the experts. Therefore, we reserve the right to reject any proposal that is not sufficiently complete to receive appropriate feedback. No identifiable information will be maintained beyond the duration of this event.

Target audience

Consortia coordinators with an advanced draft of the proposal by the draft submission deadline, attending to the selection of topics listed above. No other topics will be considered. If you want to know more about funding opportunities, please reach out to your corresponding National Contact Point.
