

Global Multistakeholder High Level Conference on Governance for Web 4.0 and Virtual Worlds

The 2025 Polish Presidency of the Council of the European Union and the European Commission are organising the first Global Multistakeholder High Level Conference on Governance for Web 4.0 and Virtual Worlds to initiate a global discussion on this topic.

The goal of this conference is to define foundational principles for a global governance framework for Web 4.0 and Virtual Worlds that addresses the dynamics of digital spaces, ensuring their governance is transparent, inclusive, and accountable.
