

International Forum “Development and Access to Foreign Markets for Moldovan SMEs”

The **National Agency for Research and Development (NARD)** invites companies and business support associations from the Republic of Moldova to the International Forum “*Development and Access to Foreign Markets for Moldovan SMEs*”, which will take place on **17 September 2025** at **Digital Park, Community Hall** (Chişinău, Mihai Viteazul Street 15A).

The event is part of the business programme of **Moldova Business Week 2025** and is organised in the context of the relaunch of the **Enterprise Europe Network** project in the Republic of Moldova, offering excellent opportunities for international cooperation and innovative development for the business sector.

The event agenda will include:

- Presentation of the **Enterprise Europe Network Project in the Republic of Moldova**: “*CONNECT MOLDOVA-EU – Creating opportunities for networking and neighbourhood economic cooperation, technological and innovative growth between the Republic of Moldova and the European Union*”;
- Presentation of the “**Fit for Partnership with Germany**” Programme, designed to identify and strengthen business partnerships with Germany;
- Presentation of the **Erasmus for Young Entrepreneurs Project “GLOBAL2YOU: Global destinations and underrepresented countries for new business opportunities and entrepreneurial skills development with the support of the EYE programme”**;
- Presentation of initiatives to promote business and exports in the Republic of Moldova;
- Opportunities for innovation and technology transfer for Moldovan SMEs;
- **Networking and B2B meetings** with potential business partners from Romania.

The **Enterprise Europe Network (EEN)** is a support platform for innovative companies with international growth ambitions. It is the world’s largest support network for small and medium-sized enterprises (SMEs), focusing on specific sectors, fostering resilience, and supporting the transition towards more sustainable business models.

In the Republic of Moldova, the Enterprise Europe Network will be implemented within the **CONNECT Moldova–EU Project** by:

- The Chamber of Commerce and Industry of the Republic of Moldova
- The Entrepreneurship Development Organization
- The National Agency for Research and Development
- The Technology Transfer Network of the Republic of Moldova
- The Moldovan Association of ICT Companies
