

Webinar: Addressing IP impact and innovation in EU projects

The European IP Helpdesk is organising a webinar on different ways to define professional and systematic IP management in Horizon Europe projects. It requires an advanced level of expertise.

Learning objectives:

- Impact and innovation in HEU project proposals
- Exploitation of project results
- Business landscape in project proposals
- Researchers' rights on project results
- IPR protection for project results
- State of the art, prior art definition - patent databases (e.g. Espacenet)
- Support and sources of information on IPR
