

## **MSCA PF Evolution Guide is available**

By Horizon Admin, 29 July, 2022

The project has prepared a very useful “set of Graphs on HE-MSCA-PF-2021 Call” It includes graphs to present some statistical data related to the Postdoctoral Fellowships (PF) call number HORIZON-MSCA-2021-PF-01 closed on 12 October 2021.

The project has prepared a very useful “set of Graphs on HE-MSCA-PF-2021 Call” It includes graphs to present some statistical data related to the Postdoctoral Fellowships (PF) call number HORIZON-MSCA-2021-PF-01 closed on 12 October 2021. More specifically:

- number of submitted/funded/reserved eligible proposals,
- cut-off scores for each panel
- the success rate for each panel
- type of organisations for applicants
- SME participation in numbers
- Gender of coordinators and researchers in numbers
- Number of experts and type of their institutions
