

EIT Food Open Innovation Call 2023

Profile picture for user Horizon Admin

By Horizon Admin, 20 September, 2022

Accelerating innovation to create positive change in the food system. Together we can accelerate innovation to create positive change in the food system.

Have you got an idea for an innovative project that will create positive change in the food system? Then we want to hear from you.

If you've got an innovative project that will create positive change in the food system, we want to help. We're looking for projects that will put new products on the market, introduce new and improved commercial processes and services, and achieve:

- **Healthier Lives Through Food**
- **A Net Zero Food System**
- **A Fully Transparent, Fair and Resilient Food System**
- **More details:** [here](#)
