La data de 06 Decembrie 2022, au fost lansate 18 apeluri noi de proiecte în cadrul programului Orizont Europa, domeniul „Infrastructuri de Cercetare”.

Lista apelurilor deschise:

1. [Research infrastructure services advancing frontier knowledge: co-fund pilots with pan-European RIs and/or national RIs;](#)
2. [Research infrastructure services to enable R&I addressing main challenges and EU priorities;](#)
3. [Research infrastructure services advancing frontier knowledge;](#)
4. [Next generation services for operational and sustainable EOSC Core Infrastructure;](#)
5. [New technologies and solutions for reducing the environmental and climate footprint of RIs;](#)
6. [Concept development for a research infrastructure to manage, integrate and sustain large medical cohort studies;](#)
7. [Preparation of common strategies for future development of RI technologies and services within broad RI communities;](#)
8. [Consolidation of the RI landscape – Individual support for evolution and long-term sustainability of pan-European research infrastructures;](#)
9. [Development of community-based approaches for ensuring and improving the quality of scientific software and code;](#)
10. [EOSC Architecture and Interoperability Framework;](#)
11. [Strengthening the international dimension of ESFRI and/or ERIC research infrastructures;](#)
12. [Planning, tracking, and assessing scientific knowledge production;](#)
13. [Preparatory phase of new ESFRI research infrastructure projects;](#)
14. [Trusted environments for sensitive data management in EOSC;](#)
15. [Early phase implementation of ESFRI Projects which entered the ESFRI Roadmap in 2018;](#)
16. [Consolidation of the RI landscape – development of complementarities, synergies and/or integration between a set of pan- European research infrastructures;](#)
17. [Strengthen the bilateral cooperation on research infrastructures with Latin America;](#)
18. [Build on the science cluster approach to ensure the uptake of EOSC by research infrastructures and research communities.](#)

Apelurile sunt deschise până la data de **9 Martie 2023** și pot fi accesate la următorul [link](#).
