

European Innovation Council Summit 2022 – 7&8 December 2022 (europa.eu)

By vitalie.moraru, 16 December, 2022

The EIC Summit took place on 7-8 December 2022 in Brussels. The key European deep-tech innovation event of the year, was bringing together start-ups, researchers, investors, policy makers and corporates.

What's in it for you?

- Meet other participants and network
- Discuss European innovation policy developments & challenges
- Learn practical tips & tricks by attending workshops on Day 2
- Visit our exhibition and talk to EIC beneficiaries and partnering organisations

Missed something? Some presentations from the workshops are already available and some more will be uploaded in the next days. You can rewatch the plenaries of the event on:
