

Digital Services Act Stakeholder Event: Shaping the Future of Digital Services

The first ever Digital Services Act Stakeholder on 27 June 2023 event is a valuable opportunity for stakeholders to engage with the European Commission and contribute their insights for the implementation of the DSA. Connect with platform representatives, policymakers, and industry experts as we shape the future of digital services.

The event will take place at **the Square, Mont des Arts/Kunstberg, B-1000 Brussels**.

Registration for in-person and online attendance is [now open](#).
