

SNS R&I Work Programme 2024 Briefing Session

The SNS JU has published its [**SNS R&I Work Programme 2024**](#) and prepared its Third Call. The Call for proposals will open in January 2024 – with a submission date ~ mid-April 2024.

The SNS JU Office and the 6G IA would now like to introduce the SNS JU Call for Proposals 2024 through a Webinar to present the context and explain the topics. The presentations below will elaborate the ambitions and focus of the call topics.

The intention of this webinar is to give an initial overview of the SNS JU activities and call criteria (including funding) to assist those interested in submitting a proposal on Smart Networks and Services.

Agenda

- 13:00 Welcome (*Governing Board SNS JU*)
- 13:05 Policy context and Orientations (*European Commission*)
- 13:15 Technical content (*6G-IA*)
- 13:35 Organization and conditions (*SNS JU*)
- 13:50 Q&A session
- 14:00 Close of Webinar

Registration
