

Driving EU Prosperity: The Future of Knowledge Valorisation

The event will feature international perspectives and host a variety of sessions covering business-academia collaboration, socially responsible licensing, standards for innovation, citizen science, insights from the EUIPO and the EPO on the role of academia and SMEs, prize ceremonies and much more. A panel will discuss the future of knowledge valorisation.

The event is open to attendance in person or online through live broadcasting, free of charge. For more information and registration please access [event website](#).
