

EU Open Data Days 2025

In-person participation: Please note that registration for in-person participation in the event is still open **until 9 March**, but the venue has reached full capacity. You can still [register](#) to be added to the waiting list.

Online broadcasting: The event will also be [broadcast online](#) and no registration is required.

On **March 19-20, 2025**, the Publications Office of the European Union will host the **2025 edition of the EU Open Data Days**, at the European Convention Centre in Luxembourg (ECCL) and online.

What to expect

- **Success stories & best practices:** Hear first-hand experiences from the front lines of European data policy and the work involved in the compilation of high-value datasets, discover insights on data reuse in business models and the new frontiers of AI.
- **Challenges & solutions:** Learn to navigate the challenges of open data, with perspectives from publishers and users.
- **Visualising impact:** Explore how data visualisation is reshaping communication, policymaking, and citizen engagement.
- **Data literacy:** Unlock the full potential of open data through skill-building and innovative initiatives.

Whether you are part of the private sector working as a data publisher, a data analyst, or a public policymaker, an academic, or even just a passionate advocate for open data, this event is for you.
