

Conference “From Knowledge to impact: Shaping Europe’s next innovation wave”

From Knowledge to Impact: Shaping Europe’s Next Innovation Wave is a European Commission event taking place on **13 November 2025 (09:30–15:30 CET)** in Brussels, Belgium and online. The event will explore how Europe can strengthen knowledge valorisation to boost innovation and societal impact. The sessions will address: the Startup and Scale-up Strategy, Research and Technology Infrastructures, and the ERA Policy Agenda 2025-2027. The event will bring together policymakers, researchers, innovators, and industry leaders to shape the future of Europe’s innovation ecosystem.
