

IGLO OPEN – Moldova’s Experience in Horizon Europe

The Moldovan Office for Science and Technology is pleased to invite you to the event:

IGLO OPEN – Moldova’s Experience in Horizon Europe

This event will showcase Moldova’s achievements and participation in Horizon Europe, highlight successful projects from Moldovan institutions, and foster dialogue on opportunities for collaboration.

What’s in it for you:

- Gain first-hand insights into Moldova’s progress in Horizon Europe
- Explore potential pathways for collaboration and joint participation in European R&I programmes with Moldovan organisations
- Connect with experts, policymakers, and European R&I stakeholders to exchange ideas and build partnerships.

Please find attached the draft agenda.

Join us on 8 October at 13:30 CET
