

Booster Info Session: free guidance for EU-funded research results

On 26 November 2025, the European Commission is organizing an info session to present Booster's services.

Booster offers free-of-charge services to support EU-funded projects in their journey from results to impact, strengthening the dissemination and exploitation strategy of the European Commission and supporting its research and innovation (R&I) activities.

During the webinar, participants will learn about the offered services, more information about the expert guidance that can be expected, how services are delivered, and also real-world experiences shared by a Booster beneficiary and their Booster expert.
